

SYED HUZAIFA ALI

FULL STACK DEVELOPER

Karachi, Pakistan | huzafa19690@gmail.com | 0313-0317125

PROFESSIONAL SUMMARY

Motivated and detail-oriented Full Stack Developer with a strong foundation in modern web development and a passion for building responsive, user-friendly, and efficient web applications. Skilled in HTML, CSS, JavaScript, and PHP, with knowledge of both front-end and back-end development. Strong problem-solving and critical-thinking abilities, combined with effective communication and a continuous desire to learn emerging technologies.

CAREER OBJECTIVE

To obtain a challenging position as a Full Stack Developer where I can apply my technical knowledge, creativity, and problem-solving abilities to develop high-quality web applications. I aim to contribute to real-world projects, strengthen my development skills, and continuously learn new technologies in a professional environment.
